Training Seminar on Flashing

The first MC&MCA training seminar of 2012 will be held in conjunction with the annual convention. *“Back to Basics: Construction Materials and Flashing Details”* will be presented by Howard Noziska of Encompass Inc. **Please encourage your supervisors and field staff to attend this seminar. There is no charge for the seminar!**

Update on the MN Masonry Coalition

You may have heard or read about the MN Masonry Coalition, a committee of representatives from labor and management organizations committed to increasing the masonry market share by actively promoting masonry directly to engineers. The Coalition has solicited and is receiving support (both financial and in-kind) from labor and our own MC&MCA members. Join us for an update on the Coalition's activities and plans for the future. Bring your questions!
