Keynote Speaker

Tim Worke, CEO for the Associated General Contractors of Minnesota

Tim Worke was named CEO for the Associated General Contractors of Minnesota on January 1, 2017. Tim has been employed at AGC since 2003. Prior to becoming CEO, Tim served as the Director of Highways & Transportation for the AGC. Tim's career includes seventeen years with the Minnesota Department of Transportation working in the areas of legislative relations and policy development. He served as the DOT's Director of Federal Government Relations throughout most of the 1990s and was Director of the Office of

Government Relations from 1999-2003 overseeing both state and federal legislative matters for the agency. Tim also serves as an employer trustee on the Minnesota Cement Masons Health and Welfare plan (Board Chairman) and Pension Funds. He is a 1985 graduate of the University of Minnesota with B.A Degrees in Political Science and Criminal Justice. Tim and his wife Karen live in Eagan, MN. They have two children and two grandchildren.

Special Thanks

A special thank you to our emcee for the evening, Barry Blazevic!

Thanks to the 14 architect judges that joined us for a full judging day in September 2016.

Thank you to the Excellence Committee including the drivers and educators. We did not lose any of the judges!

Silent Auction bidding closes at 7 PM. Winning bids can be paid by cash, credit card, or this year's new Bill Me option. For the Bill Me option, please make sure you have filled out a Bill Me card.
