Concrete & Masonry
Design and Construction
Awards**

Saturday, February 17, 2018
Minneapolis Marriott Northwest

Keynote Speaker

Larry Millett, Architectural Historian, Author & Journalist

Larry Millett spent much of his career as a writer, reporter and editor for the *St. Paul Pioneer Press*. He has written articles for many publications, including *Architecture*, *Inland Architect*, *Architecture Minnesota*, and *Minnesota History* magazines. Larry has written fourteen works of nonfiction including *Lost Twin Cities*, which won an International Book Award from the American Institute of Architects. It also served as the basis for three popular videos made by Twin Cities Public Television. Larry has also written nine mystery novels, which feature Sherlock Holmes and Dr. John Watson as well as St. Paul saloonkeeper and part-time detective Shadwell Rafferty.
