## **Cemstone Names Ted Lindahl Account Representative**

**Mendota Heights, Minn. – APRIL 2015** – Cemstone, an Upper Midwest leader in ready-mixed, engineered and architectural concrete, as well as aggregates, has announced that Ted Lindahl, has joined the company in the position of North Metro Account Representative.

“We are excited to have Ted join the Cemstone sales team. His understanding of the construction industry and his attention to detail are valuable assets he’ll be able to extend to our customers,” said Kevin Fischer, North Region Sales Manager.

Ted graduated from UMD with a degree in accounting and went on to estimate and manage highway heavy projects, focusing on bridge and structural concrete construction. His knowledge of project conditions and scheduling will be advantage to our customers as the construction season progresses. For the past 8 years Ted has been involved in the sale of masonry and concrete accessories in the north metro.

Founded in 1927, Cemstone operates ready-mix concrete plants in Minnesota, western Wisconsin, and northern Iowa. The company operates a fleet of ready-mix trucks and offers a complete line of aggregates, concrete placing capabilities, engineering services, concrete block, and masonry products.
