

2019 Excellence Awards Banquet Silent Auction Items Request

Awards Banquet Saturday, February 16, 2019

Minneapolis Marriott Northwest in Brooklyn Park, MN

Each year the MC&MCA, through its Excellence Awards Banquet Planning Committee, requests its members to donate a “silent auction” item for the banquet or donate money to be used to purchase an item or items for the auction. The attendees of the banquet, including guests of contractors, architect judges, speakers, and other interested parties thoroughly enjoy the “thrill of the hunt” as they bid on items that they so deeply want or need! The Fun is only heightened by the liquor involved!

We are providing this special silent auction form in order to better organize this year’s effort! Please take the time and effort to donate an item or items to the auction. Please use this form to let us know what is coming so we can fill in around the volunteer efforts happening in advance of the banquet.

Items can be dropped off at the MC&MCA office in Roseville during regular business hours through Friday, February 15. We will be accepting donated gifts at the banquet the night of the event as well.

Examples of donated items that were successful in the past include dinner gift cards, sports tickets, fishing/hunting items, wine/liquor baskets, collectibles, women’s designer handbags, brewery tours, golf stuff, movie tickets, headphones, portable speakers, Fitbits, and items for the cabin and the backyard! Two new hot activity venues include indoor Topgolf in Brooklyn Center and indoor skydiving next to Ridgedale Mall. Those would make excellent gift cards!

Can’t make the call? Donate money and we will make the call for you. Donated monies will go towards silent auction items or banquet sponsorship. Banquet sponsorship pays for architect judge’s dinners, speaker fees, and audio/visual. Either way, Thank You!!

Be sure to [register](#) and join us for a fun evening as we celebrate a great year of concrete and masonry construction!!
